

NOMINATION FORM
Stratford Beautification Awards Program 2011

The Stratford Beautification Committee announces its thirteenth annual Beautification Awards Program. This is your opportunity to nominate properties you believe worthy of recognition. This year, the focus will be on front yards and the curb appeal of local properties. The Committee is interested in homes and businesses that have attractive landscaping, flower beds or gardens -- or properties that feature unique fences, walkways, lighting fixtures or door treatments – in short, examples of local beauty!
