Residential Storm Debris Pickup To Begin July 1, 2010

STRATFORD— The Stratford Department of Public Works will begin town-wide collection of storm debris and yard waste starting Thursday, July 1, 2010.

Work will progress on a street by street basis, north to south, for approximately one week ending no later than Wednesday, July 7, 2010. No appointment is necessary for this program.

Debris collection is free of charge to resident and applies ONLY to storm related debris and yard waste. All other items will not be collected. Yard waste must be bagged. No special preparation is needed for other storm related debris.

All eligible debris MUST be left curbside by Thursday, July 1, 2010 to ensure collection as part of this service. The Town cannot guarantee pickup for debris left for collection after July 1 as part of this sweep.

Residents who miss the deadline will need to schedule a bulk pickup appointment with the Department of Public Works.
