

Becoming An Intentional Teacher

The Stratford School Readiness and Child Care Advisory Council, in cooperation with Stratford Parents' Place, is hosting an information packed, hands-on workshop series geared for directors and head teachers. This four-session program will assist early care and education teachers in familiarizing themselves with the *Connecticut Preschool Curriculum Framework*, the *Connecticut Preschool Assessment Framework*, and how to use the *Child and Class Profiles*. This workshop provides opportunities to ask questions, share and reflect on experiences, and learn how to plan instruction for all children, including those with special needs. Handouts and a curriculum book are included.

Wednesdays, October 1, 22, November 12, and December 3, 2008

12:30-3:30 pm

Birdseye Complex, Room 110
468 Birdseye Street ~ Stratford

Participants must commit to the full four-session program.

A light lunch is provided.

This workshop is for providers of early care and education who live or work in Stratford.
Please call Stratford Parents' Place at 381-6992 by September 26, 2008 to register for the workshop.
