

Protect Your Family or Business from Lead Exposure

April 25, 2012

6-8 pm

Birdseye Municipal Complex

You have the ultimate responsibility for...
the safety of your family or children in your care.

The Stratford Health Department is sponsoring a 2-hour **Lead Awareness Program** presented by public health professionals for the following people:

Owners of family daycare & daycare centers, the families of the children who attend daycare programs, school nurses & anyone who chooses to take on their own renovations.

To Register & Reserve your space for the program
