Re: Bagged Leaf Collection – Fall 2011

(FOR IMMEDIATE RELEASE)

1. Leaves and yard waste for town collection must be placed in either kraft paper, recyclable leaf bags or empty 32 gallon* garbage cans for collection on the day after recycling.
2. Bagged or contained leaves will be picked up curbside once every 2 weeks until December 19, 2011, at which time the program will cease for the winter.
3. The leaf drop-off area at the Transfer Station on Watson Blvd will accept leaves from residents between the hours of 7:00 am to 3:00 pm Monday through Friday, and Saturday, 8:00 am to 12:00, except for holidays.
4. NO loose leaves will be picked up curbside. According to Town Ordinance, residents who place anything curbside, except as allowed, are subject to a fine. Leaves must not be deposited on Town greens, parks or school property.
5. On occasion, heavy volume may cause a delay in some areas.

* Refuse or yard waste in 45 gallon cans will not be collected. The standard 32 gallon can is the maximum size accepted.
