

# Stratford Transit Centered Development **PUBLIC WORKSHOP**

JOIN US in examining the potential of development around Stratford's train station at the upcoming  
**COMMUNITY WORKSHOP**

Thursday March 11, 2010 at 7PM  
Baldwin Center 1000 West Broad Street

This planning process will consider the choices that Stratford may have to invite new development or enhance existing uses to take advantage of our centrally-located rail station.

This is the second of three public workshops:

- #2 March 11 Alternative Choices for Stratford
- #3 April 8 Stratford's Vision and Transit Centered Development

The Public Workshop is sponsored by the Stratford Planning Commission and The Transit Centered Development Steering Committee. If you have any questions or would like more information please contact:

David Killeen, Stratford Town Planner at 203.385.4017
