

STRATFORD FIRST RESPONDERS NEED YOUR HELP!

COVID-19 DONATION REQUEST

WE NEED YOUR HELP!

There is a national shortage of Personal Protective Equipment (PPE). We are continuously working with local state and federal officials to obtain additional PPE, we are now turning to our community for help.

We need NEW (not used):

- N95 Masks, surgical masks, medical face shields or goggles, isolation gowns, rubber gloves.
- Temporal Thermometers
- Purell hand sanitizer or equivalent
- Brown paper lunch bags & Ziploc bags
- Labels

If you have any of these items and can safely donate them:

1. Please leave them in their original packaging (if possible) and place items in a bag
2. Please place bag in the cardboard box that has this flyer attached to it, located next to the side door of Stratford EMS (2712 Main Street, Stratford, CT 06615) anytime **Monday-Friday from 9am-5pm.**
3. Call Stratford EMS at 203-385-4060 after you have dropped off the bag of items and a staff member will retrieve the bag.

Thank you for supporting our Stratford Public Safety Team!

Remember, we are always here 24/7
