

**Public Works Committee
Public Informational Meeting
June 9, 2015**

The Public Works Committee conducted a special informational meeting on Tuesday, June 9, 2015 in Council Chambers of Town Hall, 2725 Main Street, Stratford, CT pursuant to notices duly posted in accordance with state policy.

State Project Structure No. 138-241 – West Broad Street Intersection Improvements

Members Present: Council Members Kenneth Poisson, Jason Santi, Paul Hoydick, and Gavin Forrester

Also Present: Town Engineer John Casey, Philip J. Katz PE of Stantec, Thomas H. Melzen of CTDOT Bureau of Engineering and Highway Operations

Call to Order: The session was opened at 6:02 p.m. by Chairman Poisson

Councilman Poisson turned the meeting over to Town Engineer Casey, who introduced Messrs. Katz and Melzen.

Messrs. Katz and Melzen presented a description of the project, design and permitting schedules, location plan, and construction costs of \$5.4 million. The Federal Highway Administration will provide 80% of the cost, the State providing 10% and the Town providing 10% for all phases of the work.

The following members of the public spoke: John M. Wabney of 1320 West Broad Street, Andre Beaudoin of 1320 West Broad St.

The session was closed at 6:34 p.m. by Councilman Poisson
