Volunteer Opportunities

The Stratford Health Department is looking for volunteers this Saturday, April 11, from 9:00am to noon at Stratford's YMCA. Stratford's Recreation Department volunteer applications were distributed.

Sticker Shock Campaign

The Sticker Shock Campaign will be taking place this month through many shoreline communities. Starting in Clinton, this campaign has spread to towns including New Haven, East Haven, Guilford, Madison, Clinton, Westbrook, Old Saybrook, Haddam Killingworth, Durham, Southington, and Milford. The stickers are put on packages holding beer and wine coolers within liquor stores that display a message reminding the purchaser to never supply alcohol to a minor. With the permission of a few liquor stores in Stratford, Youth Committee and Coalition members will participate on April 30.

New Committee Name

The Youth Committee members took some time to brainstorm a new name for the rebranding of the Youth And Family Advisory Board. The Coalition hopes to have a new name by September.

Adjournment

The meeting was adjourned at 7:58 P.M.

Respectfully submitted,

James Olsen
