Call To Order:

Denise Keegan called the meeting to order at 4:07 p.m.

May Presentation Debrief:

Patricia Hines and Lauren Cavalli introduced themselves and the Assets Committee at the SPS guidance staff "Stratford SIS Survey and Introduction to Developmental Assets" presentation in May. Patty and Lauren attended the presentation and gave feedback. The committee decided it was very tough to make a presentation to the guidance staff at the end of the school year. The committee discussed moving forward with other presentations at the end of the summer and beginning of the school year. School staff presentations will include: social workers schools, psychologists, school nurses, CIAs, Secretaries, Custodians and Lunch Staff.

Next Steps:

The Assets Committee will to set up a meeting with Dr. Robinson and Kate Mascia to discuss the committee's goals and action plan. With Dr. Robinson's approval, the committee will begin to plan future presentations with the listed school staff and with the PTA.

The Support card, created for the Youth and Family Advisory Board Annual Town Hall Meeting, will be used to display and hand out the survey results and information about the developmental assets. Denise Keegan will connect with PTA Council for a presentation as well.

Adjournment:

Meeting was adjourned at 4:57 p.m.

Respectfully submitted,

James Olsen
