

About BNT

Bridgeport Neighborhood Trust is a community and housing development agency which is also HUD and CHFA approved.

Our certified homeownership counselors are here to guide you throughout the home buying process.

Beginning with a personal financial assessment, they'll explain the home buying process from beginning to end so that you can make financial decisions and set realistic goals that are right for you.

**First Time
Homebuyer
Education for
Stratford Residents**

BNT & Stratford

BNT will now be providing first time homebuyer education for Stratford residents, funded by a grant from the town.

Elizabeth Torres, BNT's Executive Director states "Our goal is to help low and moderate income families achieve homeownership in the Town of Stratford by providing group classes, workshops, and one on one counseling".
