## Public Sector IT Leaders Become Certified Government CIOs

*Twenty-three GMIS International members graduate from UNC program.*

Atlantic City, New Jersey – June 26, 2008 – GMIS International is pleased to announce the graduation of 23 members from the Certified Government CIO (CGCIO) Program at the School of Government, University of North Carolina at Chapel Hill.

Michael Amato, Douglas County, GA  
Richard Bazzano, Simsbury, CT  
Dwayne Campbell, Mecklenburg County, NC  
Janet Claggett, Richland County, SC  
Tammy Dixon, Mecklenburg County, NC  
Lori Ann Fox, East Providence, RI  
Boris Hutorin, Greenwich, CT  
Brian Kelley, Portage County, OH  
Sandy Long, Avery County, NC  
Sandy Rosenberg, Bloomfield, CT  
James Thomas, Hall County, GA  
David Wright, Stratford, CT

Khalid Anjum, Middlesex County, NJ  
James Buston, Auburn, AL  
Cory Casazza, Washoe County, NV  
Charles Crocker, Tuscaloosa, AL  
Sherri Flynn, Sparks, NV  
David Hulst, Ottawa County, MI  
Mike Jann, Sumter, SC  
Bridget Lindsay, Guilford County, NC  
Dale Nieswiadomy, Livingston County, NY  
Gwen Simmons, Mecklenburg County, NC  
Matthew Wainwright, Middletown, RI

The 12 month, comprehensive educational program, with both face-to-face and online instructional components, is designed to enhance knowledge in critical areas of public sector IT leadership and management. More information about the CGCIO program can be found at: [www.cpt.unc.edu/CGCIO.htm](http://www.cpt.unc.edu/CGCIO.htm)

Newly elected President Ken Keen remarked, “This is a real milestone – our first class of GMIS CGCIO graduates! We look forward to watching their careers’ progress and expect exciting innovations from them for the public sector.”

With over 500 member organizations across the U.S. and international sister organizations in six countries, GMIS International is the largest professional organization for public sector IT leaders in the U.S. To learn more about GMIS, visit [www.gmis.org](http://www.gmis.org).
