

**Parkmobile**

has been selected as SRRP's alternate pre-payment option for vehicles parked our daily parking spaces.

Beginning on September 6, 2017, Visa and MasterCard may be used to pay for parking in SRRP's daily parking spaces using Parkmobile's mobile app. September 6<sup>th</sup> through September 30<sup>th</sup> will also be used as a break in period as we all adjust to the new enforcement paradigm. \$10 fines will be issued on each unpaid **license plate** occupying a daily parking space. There will be a **10 minute grace period** for payment once the \$10 fine is issued on a license plate, based on the time on the ticket.

- The pay stations are marked with stickers providing the website to download the app and a toll free phone number.
- App users can register up to 5 vehicles and 5 users, and use the app to pay by **license plate** for parking in SRRP's 80 regular daily parking spaces (numbered 15 – 94) and 13 handicap daily parking spaces (numbered 1 – 13).
- Stratford Parking Enforcement (SPE) will use hand-held electronic devices to determine if the app has been used to pay by the **license plate** for parking in daily parking.
- Zone numbers are a critical part of your transaction and must be recorded correctly in order for your **license plate** to be identified as paid by SPE personnel.
  - **2785** is SRRP's Parking Zone. It is on the green Parkmobile signage located in SRRP and on each pay station. Use it to ensure your payment by **license plate** is accurately recorded for SRRP's daily parking spaces.
  - **Park first** in any empty daily parking space and then pay by **license plate** number in the app or at a pay station to pay for your parking space.
- There is no cost to register with Parkmobile or to download the app. A \$0.35 transaction fee is currently charged each time you purchase parking in addition to the current \$5 fee for time parked.

The Parkmobile toll free number to reach their automated system is 877-727-5832.

Register online at [www.parkmobile.com](http://www.parkmobile.com) .

Download the app through your device's app store or at <http://us.parkmobile.com/mobile-apps>, and then register through the app.
