

**TOWN OF STRATFORD  
BID #2016-044**

**ADDENDUM #2  
Issued 9/7/16**

**Tree Removals**

- 1. 155 Middlebrook Rd. is being added back to the Tree list.**
- 2. The following is response to questions submitted:**

**1. Can you please advise if the town is supplying/paying direct for Police traffic control for the items requiring "Police Detail" for:**

**a. Regular time removals???**

**No. For regularly scheduled removals, it is the responsibility of the contractor to contact and pay for police traffic control. Traffic control will only be necessary on the streets cited in the "Private Duty Street List"**

**b. Emergency time removals???**

**Yes. The town will arrange for and pay for police during emergency situations**

**2. Please clarify "Private Duty Street List"**

**This list identifies roads that require police duty during the course of tree work. They are all main roads in town. The majority of roads in town do not require police to be on duty during tree work**
