The Concessionaire must keep the quality of service at a high level in accordance with similar golf course food and liquor facilities. If the Town, in its sole discretion, deems such services to be insufficient, it may notify the Concessionaire in writing, describing the deficiency requesting that it be corrected.

The Town may terminate the Agreement if at any time should it determine in its sole and absolute discretion that the quality of service and/or food and beverages are insufficient or for any other reason enumerated in this document.

The Concession shall be permitted to remain closed or close prior to dusk/sundown if the golf course is closed due to weather conditions.

The Concessionaire may conduct a catering business, so long as such business does not interfere with the use of the facilities by the golfing community and the general public. All events held during peak times (6:00 am – 6:00 pm) must be submitted in writing for approval to the Director of Public Works. Concessionaire shall not locate any vending machines, deliveries or office equipment within the dining area.

The Town will provide all utilities. The Concessionaire shall be required to provide ice at no additional charge to the golf course operations and water stations.

An authorized representative of the Town shall be permitted to inspect the Concession premises upon reasonable notice during business hours. The Concessionaire shall be responsible for the decorum of his/her staff. Failure to maintain appropriate decorum will be considered a material breach of the Contract.

The Town reserves the right to use the parking area and the Concession's facilities for special events held at Short Beach, i.e. the Fourth of July, to accommodate town patrons and their guests. The Town shall notify the Concessionaire in advance of such occasions.
