

Stay safe this flu season and get your flu shot!

Pop-up Community Flu Clinic

Baldwin Senior Center
Wednesday, October 14th
10:00 a.m. – 12:00 p.m.

- No appointments are necessary.
- Bring your insurance card -- we accept Medicare Part B, Anthem, Aetna, Cigna, Medicaid, & Connecticare.
- Please wear a face mask and maintain social distancing.
- Choose either standard dose vaccine or, for those over 50, we offer Flublok as an alternative to high dose.

What is Flublok?

Compared to the standard dose, the Flublok vaccine offers 40% more protection from the flu. It is designed for those who are 50 and above and offers 3X the antigen of standard dose. It also protects against 4 strains of flu and is egg free.

For questions, call the Stratford Health Department at 203-385-4090.
For information on Flublok, consent forms, or fee information visit
www.townofstratford.com/flu.
