March 10, 2020

Dear Wilcoxson Elementary School Parents:

We have learned today there is a person currently under investigation (not yet confirmed) that may have been exposed to COVID-19 the coronavirus. With that having been said, and with an overabundance of caution, we are closing Wilcoxson Elementary School effective Wednesday, March 11, 2020 through Friday, March 13, 2020 for extensive cleaning of the building.

This person is connected to the Wilcoxson district only. No other schools are impacted, at this point in time. In the event other measures become necessary, we will communicate appropriately at that time.

In the meanwhile, Stratford Public Schools continues to work closely with the Town of Stratford Health Department tot stay up to date on information surrounding COVID-19. For additional information on Stratford communication, please view the following link to our district website.
