STATEMENT FROM MAYOR HOYDICK ON THE PASSING OF NEIL SHERMAN

STRATFORD – Mayor Laura R. Hoydick issued the following statement on the passing of Neil Sherman of Stratford who passed away on January 19th after a brave fight with a long illness:

The Stratford community extends heartfelt sympathies to the family of Neil Sherman, a dedicated professional who believed in Stratford and gave tremendously of himself over many years to make this town the best it can be. As the organizer of the Stratford Chamber of Commerce who then became its Executive Director, Neil was focused on marketing the town to improve the economics of Stratford. Whether it was his work on the town's Economic Development Commission or as the organizer of the popular Downtown Market in Stratford, Neil was always in the forefront of important and meaningful efforts to promote bringing our community together. We have all lost a dear friend who will be sorely missed.
