Dust off your lawn chairs and break out the cooler! The Stratford Summer Sunset Concert Series Kicks-off June 11th.

STRATFORD – The Stratford Department of Recreation is excited to announce the 2019 Summer Concert Series. Free to the public, fourteen concerts are planned beginning June 11th through September 10th. Concerts are performed at the Paradise Green gazebo every Tuesday at 7pm. In the event of inclement weather, concerts will be held the following Thursdays.

The Summer Sunset Concert Series is a seasonal staple that allows the community to come together and unwind. This annual series features a variety of bands ranging from country to barbershop, community bands to classic rock. There is something for everyone.

This year the popular Alpaca Gnomes will be playing a special Friday night show on September 6th at 6:30pm. Bring your picnic blanket and get ready to dance!

“Stratford is a special place, especially in the summer,” said Stratford **Mayor Laura R. Hoydick**. “The concerts bring friends and families together, really building the community. Residents can hear some great music, have a bite to eat and relax on the beautiful Paradise Green. There’s an element of nostalgia related to the concerts. Children who came to the concerts with their parents are now adults, bringing their own families to the Green. It’s a great way to spend a summer night.”

Paradise Pizza proudly sponsors this Celebrate Stratford event.
