

# STRATFORD COMPLETE STREETS PUBLIC DESIGN STUDIO

The Stratford Complete Streets Design Studio is a four-day event during which Stratford residents, Town staff, business-owners, and a team of designers will develop dozens of design alternatives aimed to improve the connectivity, accessibility, and safety of Stratford's streets. The studio format is interactive, inclusive, and informal. We encourage you to stop by the studio anytime, pick up a marker, and help us shape the future of Stratford's downtown.
