

Coastal Resilience Public Meeting

The Town of Stratford is developing a Coastal Resilience Plan to improve and facilitate the social, economic and ecological resilience of the Town to the impacts of sea level rise, coastal flooding, and erosion. Public participation is essential and everyone is welcome to attend.

Where:

Birdseye Municipal Complex
468 Birdseye Street, Stratford

When:

November 5, 2015 6pm – 7:30pm

Information:

John Casey, Town Engineer
203-385-4013 or
jcasey@townofstratford.com

View the state-of-the art flood vulnerability analysis for Stratford. This includes estimates for sea level rise and flooding risk between 2015 and 2115.

Learn about resiliency best practices including innovative approaches such as shoreline protection, zoning and building design.

Discuss your interests and concerns for implementing resiliency options in Stratford.
