

AGREEMENT

This AGREEMENT, made and concluded at Stratford, Connecticut, this _____ day of _____, between the TOWN OF STRATFORD and _____ the owner (s) of property described as follows: _____.

WITNESSETH: That in consideration of the Town of Stratford permitting the above described premises to be privately connected, directly or indirectly to a drainage system of the Town and

WHEREAS, such connection may, in the future, prove a detriment to said drainage system by reason of contamination, overloading, relocation, or other causes.

NOW, THEREFORE, KNOW YE, that it is understood and agreed between the parties hereto, that this AGREEMENT is a temporary privilege to make and maintain such connection; that only clear and uncontaminated water will be discharged through said connection; that it will be discontinued upon the request of the Town without cost to or claim or suit against the Town therefore; that no claim or suit will be made against the Town by said owner (s) for any damage to person or property, which may arise by reason of such connection; that said owner (s) will hold the Town harmless from any claim or suit of any kind that may arise because of this connection; that the Town may at any time after due notice, discontinue, block or otherwise sever said connection permanently without recourse on the part of the owner (s), that said owner (s) hereby agree (s) to pay all costs relative to said discontinuance and that no notice shall be required for any temporary discontinuance.
